

**YOU** men of Pendleton who know what good clothes really are, but who don't yet realize what this store is doing, are invited to read this.

Just forget the ordinary "ready-made clothing store"; consider for a few minutes some of the things set forth here.

We wouldn't ask you to do it if we didn't know that we are doing you a real service.

This is a "different" clothing store; we don't mean location, size, arrangement, equipment; any clothing store can be as good as we in those matters. You're not buying location or equipment when you buy clothes. One difference is this:

## Hart Schaffner & Marx Clothes

We know all about the clothing that's made and sold in this country; and we know that these goods are the best, most reliable, most stylish clothes made. We don't say that simply because we sell them; but we sell them because we can truthfully say it. This is the only store in Pendleton that does sell them.

### ANOTHER DIFFERENCE—SERVICE.

The best way to be of service is first to want to serve; second, to have the means to serve. By service we don't simply mean "waiting on" you; that isn't different; any store does it. Or deliveries; or prices—sometimes a price may be so low as to be an injury to you; poor stuff is often low priced.

No; service means wanting to see that you get what you want; the right thing for you; at the right price for you. Service means what we

give for the money you pay; it means more than merely exchanging goods for money. Service says "We want to please and satisfy you; we think the goods you have bought will do it; if they don't, come back and leave them here and get your money."

You want to do business with that kind of a store; we know it. The only reason you don't do business with us—if you don't—is that you do not yet believe this is that kind of a store.

But you will.

### VARSITY FIFTY FIVE

Hart Schaffner & Marx have designed the smartest looking set of styles that the young men have ever looked at, they're termed Varsity Fifty Five.

The illustration above will give you one idea of what this style looks like, but the Varsity Fifty Five style comes in many variations; one, two or three button fronts, Norfolk or plain backs.

### SIZES TO FIT ALL MEN

Don't hesitate to come here for your clothes if you are considered hard to fit. That doesn't bother us.

One of the chief points that makes this a different store is the fact that we are prepared to fit the kind of men who can't be fitted at any other store.

Hart Schaffner & Marx make special designs for stout men, unusually thin men, tall men or short men. We guarantee a perfect fit with every Suit, so don't hesitate to make your selection here on account of your figure.

### PRICES ARE EASY.

Hart Schaffner & Marx clothes can be had here at every price that enables us to give quality that can be guaranteed.

At \$20, \$25, \$30 you will find clothes of exceptional merit and in large selections at each price; \$25 is our specialization price. You will find a greater variety and a greater proportionate amount of values here at \$25 than you will find at most other places at \$30 or even \$35.

Other good, serviceable and stylish suits at \$15.00 to \$20.00.

## Social & Personal

News has been received here of the engagement of Miss Frances Gale Rutter, granddaughter of Ellen Gale Page, prominent Walla Walla pioneer lady, who has many friends here.

The Spokane Spokesman-Review has the following to say of the engagement:

The announcement of Miss Frances Gale Rutter's engagement to Thomas W. Symons, Jr., which was made yesterday by Mrs. Rutter, came as a surprise to most of the young people's friends, as few of them had been acquainted with the betrothal. The wedding will take place some time in the early summer and will be a quiet home affair at the Rutter residence, 17125 Pacific Avenue. Miss Carol Rutter will be maid of honor.

Miss Rutter was born in Spokane. After being graduated from Brunot Hall she attended the Convent of the Visitation at Washington, D. C. Later she spent a winter in Washington as the guest of her uncle and aunt, Senator and Mrs. Miles Pindexter, and while there made her formal debut.

It was in the capital city that she met Mr. Symons. Upon the arrival of young Mr. Symons in Spokane last June to engage in the practice of law a casual acquaintance developed into an engagement and the coming marriage. Colonel Symons, his father, is a pioneer real estate owner of Spokane.

Like many other young army officers of thirty years ago, Colonel Symons purchased city property in new towns along the Northern Pacific, with which he had become acquainted during military service. The Symons building along Howard street from Sprague Avenue to First Avenue occupies one of the sites he then purchased.

Mr. Symons, who is a graduate in law from Yale and from Oxford, is representing his father's interests here, as well as practicing his profession. His home is in Washington, D. C., where his family is prominent in military and social circles.

Mrs. Lee Moorhouse, Mrs. M. J. Mairn, Mrs. Lina H. Sturges, Mrs. W. B. Mays of Pendleton and Mrs. Laura Davis of Hermiston were callers yesterday of Mrs. L. S. Wood.—Weston Leader.

Mrs. Frank Fairbanks and daughter Caroline are visiting Mrs. Fairbanks' father, J. C. Hart and sisters, Mrs. Frank Rechin and Mrs. Meentzer. Mrs. Fairbanks is en route to join her husband at Ithaca, N. Y., where they will make their future home.—La Grande Observer.

The members of the Current Literature Club and many other ladies listened yesterday afternoon to a delightful and very instructive address on William Morris, the English poet, novelist and artist, by Mrs. Mabel Holmes Parsons, a member of the faculty of the University of Oregon. The meeting also afforded the ladies the pleasure of meeting Mrs. Parsons who is a very charming woman.

Prior to the address Mrs. Carl Power, accompanied by Miss Eleanor Vincent on the piano and Miss Gaynell Baldwin on the violin, sang "I Love You" (Grieg) and "Happy Day" (Piafletta) and a trio, composed of Miss Vincent, piano, Miss Baldwin, violin, and Miss Harriet Young, cello, played "Sigmund's Love Song" from Wagner's "Nebenrunden" and also a Norwegian love song.

Mrs. J. W. McCulloch of McMinnville is a guest at the home of her sister, Mrs. A. D. Siebert.

A half sick man is not worth half pay. A man or woman in poor health makes a poor leader, a poor sort of a parent.

The value of Peruna in the home can scarcely be estimated. It prevents many of the common ailments. It is an excellent remedy for coughs, colds, catarrh, grip, spring fever, tired-out feeling.

Sit down and think it over. See whether you can afford to go on half sick.

## Maternity! The Word of Words

It is written into life's expectations that motherhood is the one sublime accomplishment. And if there is anything, no matter how simple, how apparently trivial it may seem, if it can aid, help, assist or in any way comfort the expectant mother, it is a blessing. And such is a remedy called "Mother's Friend."

You apply it over the stomach muscles. It is gently rubbed on the surface, and makes the muscles pliant; this relieves the strain on ligaments, natural expansion takes place without undue effect upon the nerves. And as the time approaches the mind has gone through a period of repose, of gentle expectancy, and this has an unquestioned influence upon the future child. That this is true is evidenced by the fact that three generations of mothers have used and recommended "Mother's Friend." Ask your nearest druggist for a bottle of this splendid remedy. He will get it for you. And then write to Bradfield Regulator Co., 407 Lamar Bldg., Atlanta, Ga., for a most interesting book of information to prospective mothers. It is mailed free. Write today. It is a book you will enjoy.
